PayAnywhere Pros

- One-on-one consultative call with no volume requirements.
- Next day funding with cut times as late as 10pm ET.
- PIN Debit capability.
- Free time clock, employee management, and hiring capabilities through a Homebase integration.
- 4G connectivity via T-Mobile SIM card (not included).
- Free merchant portal with dispute management, virtual terminal, and invoicing.

Square Cons

- To speak to a sales rep you must be processing more than \$250,000 annually.
- Next day funding cut time of 8pm ET.
- No PIN Debit.
- Employee management can get pricey (\$29/month + \$5/employee).
- 4G connectivity is not available.
